

## BIO:

*David Huss is a Minneapolis based singer-songwriter with a writing style rooted in Americana, folk and upbeat acoustic rock.*

*David's songs are written with an optimistic perspective and are inspired by life's transitions.*

*In 2019 David recorded his first full length album - **Intuition** - and simultaneously formed his band 'The Headwaters'. The past year consisted of full band performances around the state of Minnesota, finishing the album, and honing the sound of the full band into the finished upbeat folk rock sound they have become known for.*

*'Intuition' is 10 tracks of upbeat indie/folk - full of bright melodies, soaring violin solos, and echoing choruses (along with a choir of horns to tie it all together) - the album blends the structure and feel of new folk with hints of rock and Americana all built around the strum of an acoustic guitar.*
